

Thursday evening  
Sept 28. 44.

Dear Frank:

I just came from <sup>(genos)</sup> Genos.  
During the evening's conversation  
Genos inquired where I was born.  
I said Guthrie Okla. Now it  
appears there are certain advantages  
open to Southerners by birth.  
Guthrie in fact Oklahoma lies  
south of the Mason Dixon line.

Does that make me eligible  
to compete for a Pasenwald  
Fellowship. Will you look it  
up Frank and make sure  
whether I can send in some  
stuff to the jury or committee?

The big town looks about  
same as ever to me - same thrill  
but more car smoke.

I am leaving for Colorado  
about time you get this so write me  
Fine Arts Center. Regards,  
Pravett  
Lawrence
