

Negro Nurses
(Payne)

July 30, 1940

Dear Miss Payne: I regret that I did not have a chance to see you while I was in Washington. Let me suggest that you write at once to Dr. Hubley R. Owen, Director, Department of Public Health, Philadelphia, and give him your qualifications and make application for a position at the new health center. I had hoped to take up this matter with Doctor Owen when I was in Philadelphia but it was not possible to do so. Unfortunately, I am not in a position to state whether they need additional nurses.

Very truly yours,

M. O. BOUSFIELD
