

Fellowship
Com.

March 15, 1948

Dear Mr. Gray: In behalf of the Fund and the Fellowship Committee we thank you for serving with our jury on creative writing. You will be interested to know that awards were given to all six of the persons who stood highest on the lists that all three of you agreed to. These seem an unusually creative lot of youngsters. I am sure that an investment in them is sound.

It was a pleasure to have you with us at luncheon and a great reassurance to have your opinion on these young writers.

Very truly yours,

ERE:NL
