

March 27, 1925.

Dear Supt. Abercrombie:

We are happy to announce to you that The Julius Rosenwald Fund on March 23, 1925, appropriated \$475,630, including administrative expenses, to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1925, and ending June 30, 1926.

As Mr. Rosenwald authorized me to make up a budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000, I carefully prepared a budget, being guided largely by (a) the requests from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1925, and ending June 30, 1926.

The allotment for Alabama is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	4	\$400	\$1,600
Two-teacher	8	700	5,600
Three-teacher	3	900	2,700
Four-teacher	0		
Five-teacher	4	1,300	5,200
Six-teacher	2	1,300	2,600
Teachers' Homes	2	900	1,800
Additions	4	200	800
	<u>27</u>		<u>\$20,700</u>
Building Agent			<u>1,500</u>
			<u>\$22,200</u>

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will be approved and announced later.

Applications on the 1925-26 budget may be filed at any time from now until March 1st, 1926, with the understanding that every building on which aid is expected will be completed and paid for by June 15, 1926, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees of The Fund join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the past and in hoping for the same helpful cooperation under the 1925-26 budget.

Supt. J. W. Abercrombie,
Montgomery, Alabama

Sincerely yours,

March 22,

1926

To The Julius Rosenwald Fund,
Nashville, Tennessee

Dear Sir:

We expect to build the following number and types of schools for the year beginning July 1, 1926, on which we desire to receive aid from The Julius Rosenwald Fund, in keeping with regulations agreed upon between the State Department of Education and The Fund:

Type	Number	Amount on each not to Exceed	Total
One-teacher	6	\$400	\$ 2,400.00
Two-teacher	15	700	10,500.00
Three-teacher	5	900	4,500.00

Five-teacher	5	1,300	6,500.00
Six-teacher	2	1,500	3,000.00
Additions to Ros. Schools	6	200	1,200.00
Teachers' Homes	2	900	1,800.00
		Total	29,900.00

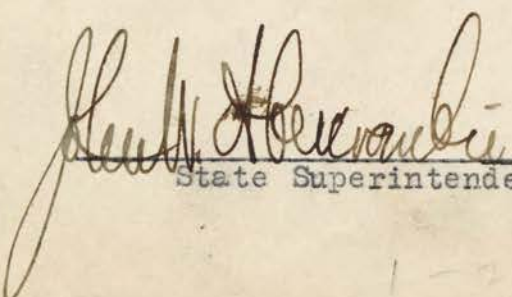

Rosenwald Building Agent (One-half salary and expenses) 1,500.00

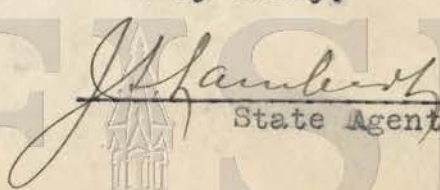

Grand Total \$ 31,400.00

REMARKS:

The prospect for Rosenwald building is very encouraging for the year beginning July 1, 1926. I believe we shall be able to use more than the \$29,900.00 asked for but donot wish to be immoderate in our request at this time.

Very truly,

Beginning July 1, 1927, the Fund agrees to give aid for shops on condition that (a) the building be erected according to plans and specifications furnished or approved by the Fund, (b) an ample supply of tools be purchased, and (c) a trained teacher be provided to take charge of the work.

On behalf of the Trustees of the Fund I wish to thank you and your staff for the cordial cooperation in the administration of the work in your State. We shall appreciate having any suggestions from time to time which you feel will be helpful in securing the greatest benefits with the amount of money available.

your department on actual amount spent as shown by individual
inspection reports, but as Mr. Rosenwald and the Treasurer
of our Fund are in Europe at this time and have been for
several weeks, we had lump sum checks drawn in various denom-
inations to take care of the total approved projects for each
state. We have drawn another check for \$2,000 in favor of
the Alabama State Department of Education, which will be sent
if needed to take care of the approved projects to be completed
on this year's budget. At the close of the period any unused
working capital will be returned as refund to close the account

Dear Supt. Abercrombie:

I take great pleasure in announcing to you that The Julius Rosenwald Fund on June 4, 1926, appropriated \$450,000, including administrative expenses, to aid in the construction of rural Negro schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1926, and ending June 30, 1927.

The total amount for construction is \$422,000, a little less than that of last year but more than we have spent in the fourteen states for construction in any budget year. The allotment for Alabama is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	4	\$400	\$1,600
Two-teacher	8	700	5,600
Three-teacher	6	900	5,400
Four-teacher			
Five-teacher	5	1,300	6,500
Six-teacher	2	1,500	3,000
Teachers' Homes	1	900	900
Additions	6	200	1,200
	<u>32</u>		<u>\$24,200</u>
Building Agent			<u>1,500</u>
			<u>\$25,700</u>

You will find attached a regulation made by the Trustees in response to urgent requests from the various states for aid in building County Training Schools or High Schools striving to meet state requirements for high school standardization. While no special appropriation was made for this, each state is authorized to take the necessary amount from the regular budget appropriation.

On behalf of Mr. Rosenwald and the Trustees of The Fund I ^{desire} wish to thank you and your staff and through you the County Superintendents and others for the hearty co-operation in past years and to ~~hope~~ for that same cordial relationship as we are about to begin work on the new budget year.

I am authorized by The Fund to say that a \$25.00 increase per month to match an equal amount from the State Board of Education will be granted for the current year on condition that it be for one year only and that such increase will be taken care of by the State another year. In other words, our Fund is setting as a maximum \$1,500 as its contribution for the salary and expenses of a Building Agent, but is making the exception in the case of Alabama for the present year - July 1st to June 30th - because your State Board's increased appropriation is conditioned on such action and could not otherwise be used.
