My dear Miss Caver

Your application for admission to Teachers College has been received. Before it will be possible for the Committee on Admissions to give you a definite statement concerning your classification in Teachers College, however, it will be necessary for you to submit the information requested on the enclosed nursing blanks and a complete official transcript of your high school credits. This should be submitted on the form used by the high school which you attended.

Very truly yours

Secy of Rosenwald Fund,

I have sent in all forms required and expect to hear from the committee in the very near future. As I have already met the entrance requirements of two other outstanding Universities and am now taking classes at Wayne Univ. which requires an average of 85% or above I have no doubt as to my qualifications to enter Columbia. As soon as I am notified I will send notification.
