# JOHN SIMON GUGGENHEIM MEMORIAL FOUNDATION

## *Memorandum concerning post-Service Fellowships*

The Trustees of the Foundation have appropriated \$200,000 for post-Service Fellowships as an addition to the usual Fellowship budgets. These funds will be used to grant Fellowships to young scholars and artists who are serving the Nation in the Armed and other Governmental Services, including those doing war research under contracts made by the Office of Scientific Research and Development and similar agencies. The post-Service Fellowships will be granted upon the same basis as the other Fellowships of the Foundation, to persons who have demonstrated unusual capacity for research and artistic creation. (See the attached announcement.) They will be granted before the end of the war and will be made available for the use of the recipients whenever they are discharged from service. Forty-nine such Fellowships already have been awarded.

Other applications for the Fellowships of the Foundation are due on or before October 15 of each year but no final date has been fixed for the receipt of applications for the Foundation's post-Service Fellowships. Persons who wish to apply for post-Service Fellowships are urged to file their applications as soon as possible.

Henry Allen Moe,  
Secretary General.
