Gentlemen:

I understand that Dr. W. Harold Branch is making application for a fellowship for the study of cardiology during the year 1935-1936 at the Mount Sinai Hospital under the direction of Dr. Ernst P. Boas.

Mount Sinai Hospital is affiliated with Columbia University for the continued education of practicing physicians and the training of clinical specialists. Dr. Branch has taken a number of courses under Dr. Boas who states: "I value Dr. Branch highly and am sure that he will profit by further study." Dr. Boas proposes the following outline of study for the coming year:

MAY 24 1935

Diseases of the Heart and Circulation. Intensive four Weeks course	June 17th to July 13th	\$100.
Practical work in Cardiac Clinic under Dr. Arthur M. Master.	Three hours a week	
Practical Bedside Study in the Diagnosis and Treatment of Heart Disease. Drs. Boas and Levy.	Two hours a week for twenty weeks.	100.
Medicine Cel3 - Peripheral vascular disorders: Medical and surgical aspects. Drs. Averbuck and Silbert.	Two hours a week for six weeks.	25.
Medicine Cel5 - Diseases of the circulatory system. Drs. Boas and Levy.	Two hours a week.	25.
Medicine Cel6 - Diseases of the circulatory system. Drs. Boas and Dr. Mond.	Two hours a week	35.
Medicine Cel7 - Cardiac arrhythmias. Dr. Roth.	Two hours a week.	25.
Medicine Cel7 EC - Roentgenology of the cardiovascular system. Drs. Mond and Sussman.	Two hours a week for five weeks.	30.
Diseases of Children Cel3 - Clinical aspects of cardiac defects in children up to the age of 16. Dr. Roth.		35.
		<hr/>
	Total	375.

This course of study meets with our approval. So far as our knowledge of Dr. Branch goes we feel that he is deserving of fellowship aid.

Very sincerely yours,

R. B. Allen
