

Fellowship
Proposal

Schuler - applying to SSRC

for part-time aid

Has been working on taxonomy but has confused plantations & small farm regions - now wants to separate out these two to find distribution factors.

would like to plan & direct field

work of

Fellowship
com

Roy Hyde - white - of Southwestern
Louisiana just
and

Gomillion - Negro - from fish and
probably was at Tuskegee

each proposes

three months field work in La
and nine months work at a

Univ. - Hyde at Baton Rouge

9 at some Northern Univ. -

Hold -
