February 15, 1939

See

Dear Mr. Moe: Thank you for your letter of the 11th concerning Dr. Howard Mumford Jones of Harvard. I will most certainly see him on my first trip to Cambridge. I am hoping to be in the East again before the March meeting of the Committee and if I am, I am planning to stop in Boston.

Another group of digests is going to you today by express.

Sincerely yours,

GMR:MLU
