Mr. William C. Haygood  
Director for Fellowships  
Rosenwald Fund  
Chicago, Illinois.

Dear Mr. Haygood,

It has just come to my attention that the accompanist for the Vocal Auditions here in New York sent a bill for her work to the Foundation. You cannot know how embarrassed I was when I found out about it, and very disgusted, needless to say. I was just arranging for the School to take care of it, when it came to my attention. I am deeply sorry, and I enclose my check to you to cover the amount.

Also I wish to report that I finally heard Miss Margaret E. Tynes 175 West 137th Street, and that I would definitely place her among the first six that I heard this year, say about fourth. She is very talented and has a beautiful voice, although she needs a lot of additional training.

I hope you were pleased with Miss Gladys Shailer's work. She is a fine Musician and a fine person. I hope her report reached you in good time.

With my very kindest regards, I remain

very sincerely yours,

*Bernard Taylor*
