

Candidate Walter Monroe Booker  
Head, Department of Biology  
Prairie View College, Texas

Special Field  
Physiology

Plan of Work

I spent the year of 1937-38 at the University of Chicago, working on the Ph.D. degree in Physiology. I have my problem under way now and should like to spend the coming summer and next regular session in residence in an attempt to complete the work.  
*resp. in dogs Def. of traction peeling or liver on blood pressure*  
Is working under Dr. Arno B. Luckhardt. One year. Can return to present position.
