Dear Mrs. Haygood:

Following our letter of the 2nd, we would recommend that you request the different exhibitors to clearly label and identify their works with their name and title so that we can record them easier and keep them separate and also ask them to address the box to us, for the Rosenwald Fund and as usual ask them to prepay the expressage. We would also like to have the exhibitors notify us as they ship things to us so that we may be on the lookout for same.

Faithfully yours,
W.S. BUDWORTH & SON
