

Fellowship
Directory

June 21, 1946

Dear Sir: Mr. Ernest V. Hollis of the Federal Security Agency informs me that you are in the process of revising your list of the industrial organizations which support fellowships and student aid. During the past month, we have been attempting to gather material relative to scholarship and fellowship programs of organizations other than educational institutions, and I would be very grateful if you could send us a copy of the list you are preparing.

Sincerely yours,
WILLIAM C. HAYGOOD
