*Fellowship Com*

June 30, 1942

*Fellow*  
Dear Doctor Johnson: The consensus of the votes of the Committee is clearly to the effect that the award should not be given to Mrs. Creedy for her proposal to work under the auspices of the Southern School for Workers. This action of the Committee seems to confirm our original rules; namely, that we will restrict our fellowship grants to the regular competition and the regular awards which are made once a year.

Very truly yours,

**EDWIN R. EMBREED**
