

Fellowship  
Com.

February 13, 1948

Dear Mr. Kahn: This is to confirm our telephone conversation setting March 31 for the art jury meeting. Let's meet in the lobby of the Museum of Science and Industry at 9:30 a.m. I'll drop you a line about a week before the meeting, just as a reminder.

We appreciate very much your interest and willingness to help in making this year's fellowship selections.

Sincerely yours,

HR
