Dear Doctor Bousfield:

I am in receipt of your letter October 12, and also your night letter of October 14, 1939.

Due to the recent change of events I will not report to you in Chicago as stated in your last letter.

I shall look forward to hear from you upon your return to Chicago, so that I may be informed as to what steps to take in this matter.

Very truly yours,

Harvey J. Whitfield
