~~SCHOLARSHIP~~

January 23, 1935

My dear Dr. Youngblood: I regret to inform you that because of adverse action by the trustees funds are not available to cover your application for a scholarship. This same action has been necessary with all applicants in this particular classification. Until such time as the trustees reconsider the matter, no further applications will be received.

Under the circumstances you will at once perceive that this rejection is in no way a reflection upon your qualifications.

Yours very truly,

M. O. BOUSFIELD
