Mrs. William C. Haygood
Acting-Director for Fellowships
Julius Rosenwald Fund
4901 Ellis Avenue
Chicago 15, Illinois

Dear Mrs. Haygood:

This seems to be a rather disconcerting note about Mr. Certain, not so much because he may, in the opinion of Mr. Birkhoff, need a personal disciplining, but because of the danger that too easy fellowships can contribute to the type of situation described.

I should like very much to get a reaction from Mr. Certain, if there is any way that this is possible.

As I think this matter over, it seems to me that in spite of the reluctance to offer personal advice, that it is quite the appropriate function of the Fellowship Secretary to mention to Mr. Certain the apprehensions of his Harvard advisers about his scholarship record. I can follow temperament a considerable distance, but not beyond the limits of personal and professional usefulness in this world.

With best wishes,

Sincerely yours,

Charles S. Johnson
