TWENTY-FIFTH ANNIVERSARY  
1910-1935

July 3, 1935

Dear Bousfield:

Dr. Virginia Alexander of Philadelphia has indicated to me her desire to secure a Fellowship for the study of Public Health.

I do not know anything about Fellowships offered in this field, but I think it would be a splendid thing to get a person like Doctor Alexander interested in Public Health. She thinks it would be possible to get training of the kind she desires, in New York.

Of course I do not know about this. Have you any advice to give me for her? Would the Rosenwald Fund be interested in a Fellowship for such a purpose? With all the activity in Washington on health matters, her suggestion seems timely.

Cordially yours,

  
T. Arnold Hill  
Acting Executive Secretary.
