Dr. M.O. Bousfield
 Director of Negro Health
 Julius Rosenwald Fund.

Dear Dr. Bousfield,

I wrote to Dr. John W. Lawlah, Medical Director of Provident Hospital in Chicago, as you suggested. He has just written that there will be no vacancies in surgery at that Hospital for 3 years.

Thank you so much for the suggestion. Is there anything further that you might suggest? I understand that you will be in New York for the N.M.A. convention. I will be unable to attend the convention, as some of our staff will be on vacation at that time. If you could spare a conference during your stay there, I would make every effort to come to New York for a few hours to see and talk to you about the possibilities of obtaining a fellowship.

Cannon Anson Phelps Stokes suggested that I write to Mr. Edwin R. Embree, mentioning his name.

Thanking you for everything that you have done in my behalf, I am

Sincerely yours,

Floarda Hughes Howard, M.D.
Chief Surgical Resident.

Floarda Hughes Howard M.D.

P.S. I regret deeply that I did not know sooner that you were in charge of Negro Health for the Rosenwald Fund/
