Education

Harry Hill (now at Peabody) has  
spoken to me of Mrs. Yancey. He was  
"shocked" that we didn't appoint her  
last year.

Her record is certainly good both  
as a teacher and as a graduate  
student. It seems pretty late  
for her to start her Ph. D. (with  
at least 2 full years required)  
But she's plugged it out, right from  
undergraduate days  
won radio salute in her home city: Lex, Ky
