Dear Mr. McGraw: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything of interest that has happened to you or that you have accomplished during the tenure of your fellowship. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

Very truly yours,

Additional information:

I am devoting my spare time to revising my thesis ms for publication in book form. Since the study deals with very recent phenomena it is vital that this revision be completed as soon as possible. I had hoped to do so last summer, but lack of funds forced me to interrupt this work in order to teach summer school.
