Dear Mr. Meade: We are preparing a full report for the trustees on persons who have held fellowships and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished since your return to your post. The trustees have a continuing interest in the Fellows and we like to keep them informed.

Dear Mr. Reynolds:

I hope that you will be pleased with the enclosed report.

I am working hard on my Benjamin project & trying to direct the history department. We have the largest enrollment of any department in college & over forty majors. The swollen figures may not be a compliment but I prefer to consider it as such! Next year we will begin requiring comprehensive examinations for seniors & there will be a
