Plan of Work

It is my intention to pursue formal courses in Public Health and to make a study or examination of the health set-up in the Negro College and University and its relationship to health teaching in the public school systems of the South. Data collected will be used to strengthen my teaching and to substantiate suggestions which I will make after the study is complete.

Wishes to attend University of Michigan for two years, working for D. P. H. under Dr. Sundwall. Has been assured of admission.

Will return to present position.
