# FELLOWSHIPS

*Com.*

February 4, 1947

*March 13 + 14*  
*April 17 + 18*

Dear Mr. Weaver: I am writing to ask if the weekends, April 5 and 6 and May 3 and 4, would be acceptable to you as dates for our two fellowship meetings? Three members of the Committee have already expressed a preference for these dates and if they are agreeable to you, I would very much appreciate hearing from you as soon as possible since I cannot set up dates for the art, music and photographic juries until the fellowship dates are established. As usual, the meetings will be held at the Fund office.

At the moment, we are deep in the mechanical and clerical handling of the applications which have come in since the first of the year. In quantity they are well above last year and the quality seems to be somewhat higher also. We shall be sending digests to you well in advance of the first meeting.

With personal regards,

WILLIAM C HAYGOOD.
