

Candidate **Chrystabelle Delphine Brown** ✓ Special Field **Mathematics**

Box 36, Smithfield, North Carolina
Teacher at Johnston County Training School

Plan of Work

My work will include that leading directly to the Master of Science degree in mathematics.

Wishes to study for one year at Cornell University, beginning in September, 1938. Does not plan to return to present position, as she wishes to teach mathematics in a normal school or college of the south.

Digest of Application

Born in Hamlet, North Carolina May 2, 1917.

Obtained B. S. in 1936 from Shaw University.

Tutored at Shaw 1935-36, \$15 month; has taught at Johnston County Training School, 1936-37, 1937- at \$540 and \$616.

Has held tuition scholarship for one year at Shaw, and Freshman prize scholarship tuition for one semester, 1933-34.
