WALTER NATHANIEL RIDLEY

29

Director of Extension  
Virginia State College

Educational Administration  
(especially extension)

Good record (which steadily improved  
at Howard - he graduated cum laude)

Strong recommendations from Sandy  
and Holmes which may not  
mean much - good testimony from  
professors at Minnesota - Teach. pub.  
him - offer 25% of graduate  
students at Univ. of Minn. Pick  
says "among the best Negro students we  
have had in graduate school" also "he  
possesses great deal of intelligence, initiative, & mental power"  
The study seems to me formalistic  
and perfunctory
