Accomplishments

- Of what learned, scientific, or artistic societies are you a member? None.
... Evanston's City Council ... is hardly learned, seldom scientific, but often artistic.
- What research or creative work have you done? (If in business or a profession, give evidence of standing and achievements.) In the field of my major interest, I have seen the working out of the interesting experiment of organizing a Negro community that is peculiar in its make-up and its relationship to the entire city, so that it might express itself politically....the blocking of efforts to divide its political strength by unfair re-districting...the securing of representation in its city government, over vigorous and often picturesque machine opposition...and the attempt now to work out a desired relationship between the community and its government, under
- Publications None. the friendly interest of members of Northwestern's political science department. Over a seven-year period this unusual study has gone on.
- List scholarships or fellowships you have previously held or now hold, stating in each case the places and periods of tenure, the studies pursued during your incumbency, and the amounts of the stipends.
None.

Plans for Work

- Will you return to your present position? _____ If not, for what position do you seek further training?
I aim to continue the present practical study in the relationship between this minority group and its government to complete a real study, training then for teaching or governmental work and writing.
