Special Field Music-  
Advanced piano and  
composition

Teacher of Piano, Correlator of Music Courses  
WPA Music Project, 2548 7th Avenue, New York City

Plan of Work

To spend at least a year in Europe for the purpose of intensive study in advanced piano and composition with special emphasis on the pedagogical aspects of both subjects. It is felt that the experience of music study abroad and the opportunity to examine the latest methods of pedagogy will be of inestimable value to my work as concert pianist, composer and teacher. L'Ecole Normale de Musique de Paris is my objective for these courses.

Duration of study one year, to begin October, 1938.
