AMOUNT GRANTED

WILLIAM EDWARD ALEXANDER

(30)

Graduate Student, University of Wisconsin
Agriculture

No reason to reverse turn down of
just two years

No body goes all out for him

1940

WILLIAM EDWARD ALEXANDER

28

Instructor in Dairying
Alcorn College, Mississippi

Agriculture

Not of record at Hampton
No indication of exceptional ability
He hasn't had a chance
to try himself against competition
but even the Hampton people
speak very highly about him
