

GERDA PREVOST

Assistant Professor of Psychology
Furman University, Greenville, South Carolina

Psychology

Good record for two years at Columbia
Outhit says her record was A for the
two years but official transcript
shows Bs for psych in School of Business
and equal As + Bs at Columbia (grad sc)
A real problem - for which we need
more workers - she seems definitely
well placed in faculty of Furman
Farrell speaks mildly
McDavid all out

1948
