

Fellowship
Comm.

April 20, 1948

Dear Dr. Thompson: Enclosed is the list of fellowship awards for 1948 which I should like to have you sign and return. This list includes a \$5000 grant to L. Howard Bennett and a \$1200 grant to B. R. Brazeal for which I got your oral approval earlier in the year.

I hope our paths will cross again and if I ever find myself in Washington, I shall certainly come out to the University and look you up.

With all good wishes,

Sincerely,

HR

Dr. Charles H. Thompson, Dean
Graduate School, Howard University
