Gentlemen: As I wired you today, we would like to have you arrange the exhibits of several of our candidates in art in order that our Art Jury may consider them on Friday, March 6. We have asked the applicants to have the material in your galleries not later than March 4, with the exception of Mr. Jacob Lawrence, Mr. Conrad Albrizio, and Mr. Kenneth Ervin, and exhibits from these three should reach you by the 5th.

I am attaching a list of the candidates. Will you please set up the exhibits submitted by the white candidates separate from that from the Negroes, for the convenience of the Jury?

Very truly yours,

WILLIAM C. HAYGOOD
