Dear Dr. Reynolds:

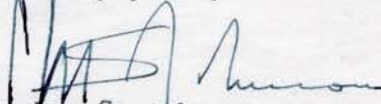

I have received the first consignments of fellowship applications, which I am settling down to read.

I have mentioned to Ira Reid, Benjamin Mayes of the School of Religion at Howard University, Abram Harris and Ralph Bunche, also of Howard, who had observed in conversation with me that they had received large numbers of requests for endorsements to the Fund, that you might find it useful if, after they had written the individual letters, they wrote you a general letter giving an evaluation of the group of persons recommended, in the order of their estimates of the applicants' fitness.

Bunche & Harris received

I am looking forward with interest to the first meeting of the Committee in March.

Sincerely yours,

Charles S. Johnson
