Comm.

March 24, 1947

Dear Mr. Lacine: Thank you for your letter of the  
22nd of March. I have written  
to the candidates applying for fellowships advising  
them to withhold all pictures and other materials until  
after April 10, and asking that when such materials are  
sent that they be addressed directly to you and marked  
"Julius Rosenwald Fund Exhibition".

Sincerely yours,  
WILLIAM C. ...
