

Frances Sullivan

22¹⁹³⁴

Home Management Professor, Green County, N.C.

sociology (with special emphasis on rural housing)

Only fair college record

Grading letters are not justified
by anything - the record

Too young to do important independent
research on a large topic - so it
really boils down to a year of
graduate work at U. / N.C.

Only because letters are so laudatory
do I mark her as high as

B-
