

JOSEPH RICE SAYLOR

(31)

Professor of Government and History
Weatherford College, Texas

Political Science

See no reason to
regard this man as a topper
ford but not all out letters
The project is being worked
on by many people - some of
them doubtless more competent
than Saylor

Name Joseph Rice Saylor **Field:** Political Science
 Professor of Government and History
 Weatherford College, Weatherford, Texas

Plan of Work

To show the effects of discriminatory freight rates - as are now existing in the United States - upon different types of industry in the Southwest. To propose a solution to the problem whereby industry in the Southwest, as well as the deep South, can compete equally with industry in the North and East.

Wishes to work for Ph. D. at University of Texas under Dr. C. P. Patterson for eighteen months beginning June 1, 1942. Has been admitted.

Applied 1941.

Personal Data Born Miami, Missouri, June 1911. **Age:** 31
 Married, one child.

Undergraduate Work Missouri State Teachers College, B. A. 1933.
