To Moe and Alexander - 9/7/38

June 10, 1938

Dear Dr. Johnson: Our auditors are due the latter part of the month and we need your signature on the approved list of fellows for 1938. Will you please sign and return the enclosed copy?

You will note that S. Randolph Edmonds' name appears on the Negro list, with a grant of \$400. Mr. Edmonds got into some financial difficulty owing to his wife's illness just before he sailed and to a number of other factors quite beyond his control. Since his grant was originally not one of the large ones, Mr. Embree agreed to increase it by this amount, feeling sure that it would meet with the Committee's approval.

Very truly yours,

RAYMOND R. PATY
