

Fellowships  
Comm.

March 16, 1948

Dear Mr. Beech: Remembering your request for information about some of the Negro Fellows, I am enclosing an article by Robert Lucas - a 1948 Fellow (but he doesn't know it yet). This is a nice, succinct statement, and I hope it'll serve your purpose.

If you will send me a statement of your expenses, I'll see that a check gets in the mail immediately.

Sincerely,

H.R.
