

Preventive Medicine and Public Health

while this man is for advanced-
 having a Ph D-nevertheless
 his request from us is to enable
 him to complete his regular
 professional course in medicine
 at his present University - Vanderbilt

I believe he falls outside our
 terms. But I mark him X because
 of his general excellence, in
 order that we may discuss him

X

(tertiary level A if not
 draft his writing over letters
 FISK
 UNIVERSITY)
