Dear Mr. Haygood:

Your letter of July 29 asking that three copies of the issue of CHEMICAL AND ENGINEERING NEWS containing the list of fellowships, scholarships and grants supported by industry be sent you is being brought to the attention of our business office.

We are now planning to print this list in our September 10 issue instead of the August, as originally planned. I trust that this will be in time to serve your purposes.

Sincerely yours,

Walter J. Murphy
