Director for Fellowships

Dear Dr. Reynolds:

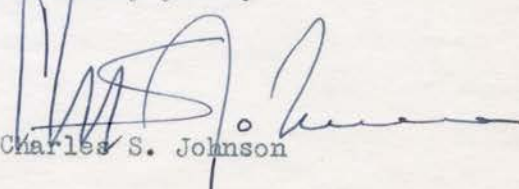

In gathering up the materials after the meeting of the Board, I found that I did not get my mimeographed list of fellowship awards. I wonder if you would be good enough to send me a copy.

I am reminded of this by a telephone call which I received sometime ago from Miss Helen Ransome, who states that she received a letter asking if she would accept a fellowship but had not heard anything further from the matter. She called, apparently, because she had run across a reference in the Press to the awards to Mr. Swint and Mr. Englund.

My impression was that the awards had not yet gone to the Press officially, but on the question of her own status I referred the matter back to you, with the suggestion that the full list would be sent to the Press soon.

Best wishes.

Sincerely yours,

Charles S. Johnson
