Dear Mrs. Haygood:

We have your letter of the 23rd and we believe that we can receive and unpack the exhibits sent in by your candidates this year, for which you want to have a jury meeting on March 24th.

We, however, may not be able to give you the entire room as we have in years past because of conflicting dates with other large exhibitions, but we feel that this year your group will probably not be as large as usual, and we will have enough room for you to work.

We note that you will send us a list of candidates submitting material, with approximate dates, and suppose that they will come in to us, pre-paid, as usual.

Faithfully yours,

W.S. BUDWORTH & SON
