Education

Good person, well qualified
But I can't see more than
* another (somewhat better) teacher
of health at a small college
after another year at North Carolina

Name Annie Laurie Brinkley McDonald Field: Education

Teacher of Sociology and Health Education
Lenoir Rhyne College, Hickory, North Carolina

Plan of Work To make an analysis of the preparation of elementary teachers for health education by: (1) Determining the skills, information and activities for a teacher to discharge her responsibilities; (2) Identifying objectively the competencies considered prerequisite to initial employment; (3) Ascertaining course and non-course experiences necessary to develop these competences; (4) Making a sampling of pre-service and inservice teacher education programs in colleges and schools which have health programs developing.
