Dear Miss Mell: We are preparing a full report for the trustees on persons who have held fellowships and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished since your return to your work. The trustees have a continuing interest in the Fellows and we like to keep them informed.
