

1939

CHARLES MAXWELL LANCASTER

28

Associate Professor of Romance Languages
Howard College, Birmingham, Alabama

Romance Languages

An excellent, though probably
not a brilliant scholar
Romance languages is not
a subject "destructive of the
South" and the influence of
degrees on Spanish & Portuguese
literature is a far fetched
reason for bringing this project
into the Southern field

Because of the subject (and in the
absence of evidence of real genius)
I rate him
