Att:-Edwin R. Embree - President

Dear Sir:-

This is to state that Dr. Ernest C. Holder, served as pathological interne in this institution for a period of one year from October 1932 to October 1933 and subsequently was Resident for a period from October 1933 to July 1935. During this time he showed fine, broad understanding and capabilities in the field of pathology.

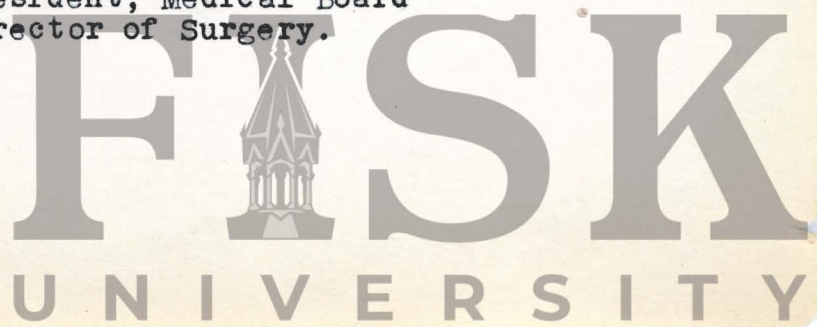

He is a competent pathologist, actively interested in the subject. He brings industrious enthusiasm and conscientiousness in his work.

He has a pleasing personality and at all times a gentleman and in short he has made a splendid record in this hospital and was highly respected by all the members of the staff.

It is a pleasure to recommend such a fine type of young man as Dr. Holder to you for consideration and any consideration that you may give him, I am sure, will not be misplaced because I have every reason to believe that he will more than justify any one's expectation.

Sincerely yours,
Charles S. B. Cassasa, M.D.
