

Fellowship
Com.

April 15, 1946

Dear Mr. Budworth: The Express Company report on the
damaged photographic slides came,
and we have gotten in touch with them. The Clemance Hunter
canvasses arrived today. I trust there have been no dif-
ficulties in returning the remainder of the exhibit materials.

I want to thank you and Mr. Johnson
for the excellent way in which the recent showing was
handled.

Sincerely,

WCH:EN
