Surgery  
Assistant in surgery, Howard

The JEB has a special  
system of aid in the development  
of the faculty in medicine  
at Howard. If this is a  
key man in the faculty the  
JEB will certainly take care  
of him. If not he is probably  
not a man we want to consider  
until we get the JEB relationship  
straightened out I wish him

Later: G.E. B. can take him next year  
So I think we may pass him up
