

Negro P.H. Workers
(course)

October 25, 1937

Dear Mr. Smith: During January of this year I had a letter from you concerning your desire to do some laboratory work as a technician. A new Negro unit is about to be opened at the City Memorial Hospital in Winston-Salem, North Carolina. Among other Negro personnel required will be that of laboratory technician. If you are interested, please make application to the Superintendent, Dr. J. B. Whittington, City Memorial Hospital, Winston-Salem, North Carolina.

Very truly yours,

M. O. BOUSFIELD
